Improving Healthcare possibilities for teens and adults with developmental disabilities

Dear Friends and Sponsors:

Thank you for your support and interest in Adult Disability Medical Healthcare (ADMH). This year we celebrate **TEN YEARS** of improving healthcare possibilities for teens and adults with developmental disabilities.

ADMH, a 501(c)(3) nonprofit organization, provides individuals with developmental and intellectual disabilities and their families with medical, psychosocial, behavioral, and functional healthcare services through our interdisciplinary team of professionals. The ADMH team meets their immediate needs and supports long-term planning for a full, healthy, inclusive, and independent life. In 2025 our goal is to add a new clinic location and expand the number of clinics, thereby seeing more patients.

We need YOUR help ensuring these medical services, which may not be covered under private insurance, Medicaid, or Medicare, are available for more individuals. Our waitlist is six months long!

Your sponsorship of the ADMH RUN FOR HEALTH will help us build an even greater, more accessible program of comprehensive health and related services for teens and adults with disabilities.

- **Valuable promotion**
 - **Before, during, and after the event through ADMH social media channels**
 - **Visibility on the ADMH and Run for Health event websites**
 - **Placement on the Run for Health T-Shirts**
 - **Promotional and marketing pieces**
 - **Exposure in press releases**
- **Free race registrations**
- **Complimentary vendor space**
- **Opportunity to place information or gifts in our Swag Bags**

We value your sponsorship and partnership with us and we are very thankful for your continued support! Our teens, men, and women with developmental disabilities, thank you for making them a priority!

**Sincerely,
The Adult Disability Medical Healthcare Team**
